TO ALL BOYS TAKING PART IN EMANUEL EVACUATION SCHEME.

This notice should be shown to your parents so that they can know what must be done and help you.

1. You are attached to group _____ : your group leader is _____
2. If an emergency arises during term, I shall tell you if evacuation is going to take place and give you a letter to your parents. We are to go on the morning of the 2nd day of evacuation. If your parents wish you to come, you should be at school on the 1st day of evacuation to receive any notices. In a crisis look carefully at newspapers and listen to wireless: you might be ordered by the Government to come to school on a Saturday or Sunday.
3. If an emergency arises during holidays and you are in London, you should come to school as ordered by press or wireless. Evacuation will be arranged for all who come to school on the day.
4. If an emergency arises during holidays and you are out of London, do not try to return to London. Your parents will ask advice from an official of the local authority of the town in which you are staying. They can discover from the Sergeant Major at the school where our party has gone and you might be able to join us later.

T A K E Y O U R G A S M A S K on your holiday.

5. On the day of evacuation if you live some way from the school, start from home earlier than usual. Wear school uniform dress with mackintosh or overcoat, and stout boots or shoes. 8th June, 1946

TO-DAY, AS WE CELEBRATE VICTORY, I send this personal message to you and all other boys and girls at school. For you have shared in the hardships and dangers of a total war and you have shared no less in the triumph of the Allied Nations.

I know you will always feel proud to belong to a country which was capable of such supreme effort; proud, too, of parents and elder brothers and sisters who by their courage, endurance and enterprise brought victory. May these qualities be yours as you grow up and join in the common effort to establish among the nations of the world unity and peace.

George R.I.
