

Ian Botham plays for the Brunei Old Emanuel XI

In the 1990s an Old Emanuel Select regularly toured Brunei. Principally, they were the guests of the Crown Prince of Brunei (who was also an Old Emanuel). Since the Prince didn't care to lose, he often brought in "ringers" such as Ian Botham and Viv Richards who both wore Emanuel colours. The bottom photograph shows the Prince sitting in the middle of the bottom row when he played for Emanuel.
